

HF

2026

To Our Valued Customers,

I want to express my sincere appreciation for your continued partnership. Your support has been the foundation of our growth, and it motivates us to keep advancing our work in design, craftsmanship, and service.

This year's catalog reflects that commitment. Our 2026 introductions bring together new forms, rich finishes, and thoughtful innovations developed by a team committed to excellence. We're especially proud of how this collection balances forward-thinking design with the enduring hand-forged artistry that defines Hubbardton Forge.

Your insights, trust, and collaboration have shaped where we are today—just as they guide where we're headed. We look forward to bringing you products that not only elevate your projects but also strengthen the partnership we value so deeply.

Thank you for being such an important part of our story.

Sincerely,
Maria L. Mullen
CEO

HF

PARTNERSHIPS

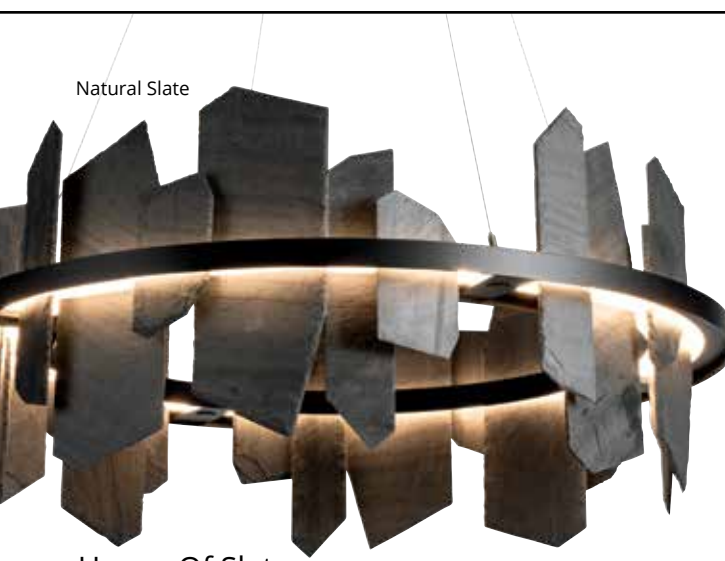

We work with a curated selection of partners and artisans who provide some of the components used in making our products. Many of our partners are local and regional—LED technology, natural slate, maple wood, handcrafted leather, handmade and blown glass, alabaster and more. We also rely on carefully chosen European partners to provide exquisite materials like rare lilac marble and Venetian glass. These partnerships allow us to ensure quality and reliability in every aspect of our final products.

EXTERIOR FINISHES

Hubbardton Forge offers some of the most robust, environmentally friendly finishes available for exterior lighting, and continuously works to improve durability with new formulations that are rigorously tested.

COASTAL OUTDOOR FINISHES

COASTAL DARK SMOKE -77

Our Coastal Outdoor Finishes are all AAMA 2604-rated by the American Architectural Manufacturers Association, meeting their high standards in durable, weather resistant finishes. They are corrosion-resistant and color-fast, with significant protection against harmful sun exposure. These coatings, the same quality and standard used on aluminum-clad buildings, deliver exceptional hardness and scratch resistance for enhanced performance in outdoor environments.

COASTAL WHITE -02

COASTAL NATURAL IRON -20

COASTAL BURNISHED STEEL -78

OIL RUBBED BRONZE -14

COASTAL BRONZE -75

COASTAL BLACK -80

NEW FOR 2026: MARINE GRADE OPTIONS

Now available, two additional outdoor finishes as “Special Order” options (modest uncharge applies): MARINE BLACK -95 and MARINE WHITE -94. These are IGP-DURA® sky 9503 marine grade finishes meeting the AAMA-2605 requirements with the most stringent performance standards set to prevent corrosion from salt aerosolized by ocean waves, with a very high durability index withstanding extreme temperatures, UV radiation and weathering common in marine settings.

WARRANTY

We offer a Lifetime Limited Warranty on ALL of our Coastal Outdoor Finishes, unless you are 10 miles or less from a seacoast, in which case we offer a 5-year warranty.

We offer a 10-year warranty on our Marine Grade finishes.

See complete Lifetime Limited Warranty details on our website.

CUSTOMS

We Can Do That!

With a dedicated, in-house Customs Team, Hubbardton Forge is able to work directly with you to provide the right lighting solution for your needs. Designers, engineers, prototype & tooling, manufacturing...it's all under one roof in Castleton, Vermont. What does that mean for you? We can quickly turn around a request with unsurpassed quality control and reliable lead times. And you can be sure that you'll receive a high-quality final product, with your own personal stamp on it. Inspired by one of our existing products, but need it longer, shorter, wider, taller? Talk with us. We're the experts at modifying a design to give you the customization that you require. Design through delivery, we offer exceptional service and a streamlined process—ensuring your made-to-order piece is on-time and on-budget.

ABACUS

Longer, shorter, wider...We can do that!
The customizable nature of the Abacus is endless. Either side of a headboard, a 30' space divider with 15' ceilings, above a 10' long island, or over a dining table...the Abacus is as versatile as it gets. Custom options are available to accommodate specific applications.

LED TECHNOLOGY

Glass globes are individually lit via a frosted LED tube, powered by low-voltage cables.

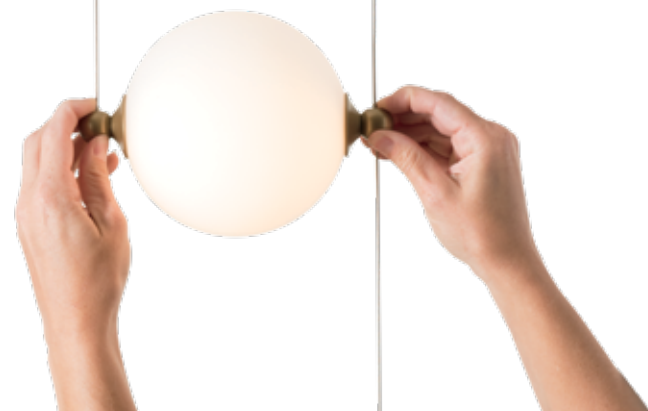

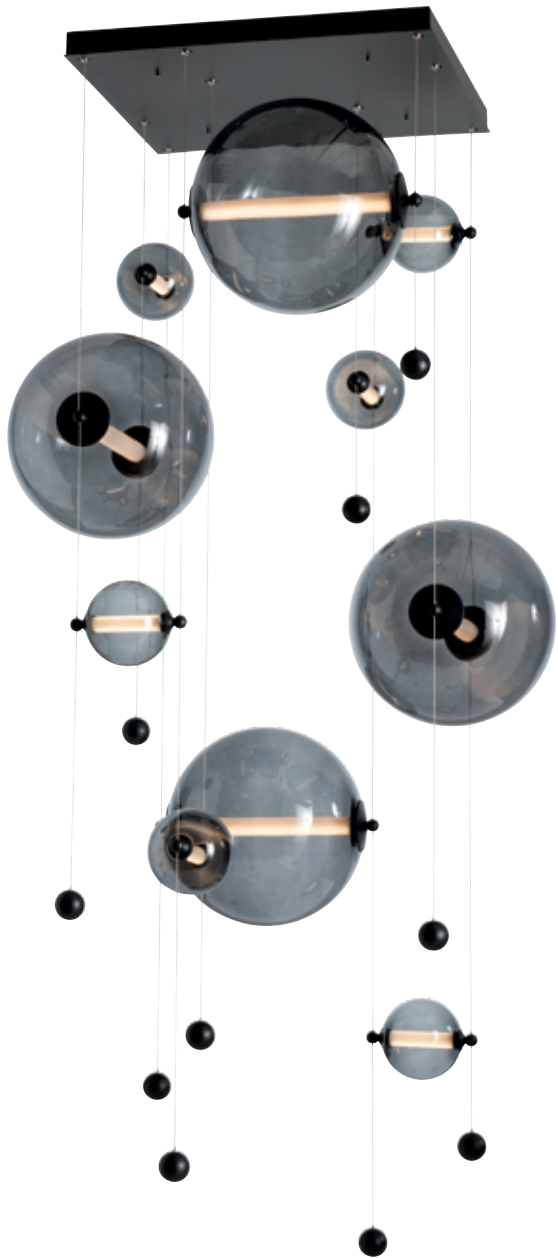

CUSTOM OPTIONS

Working with local Vermont artisans, we can create custom colors and shapes to suit any design needs.

ADJUSTABLE

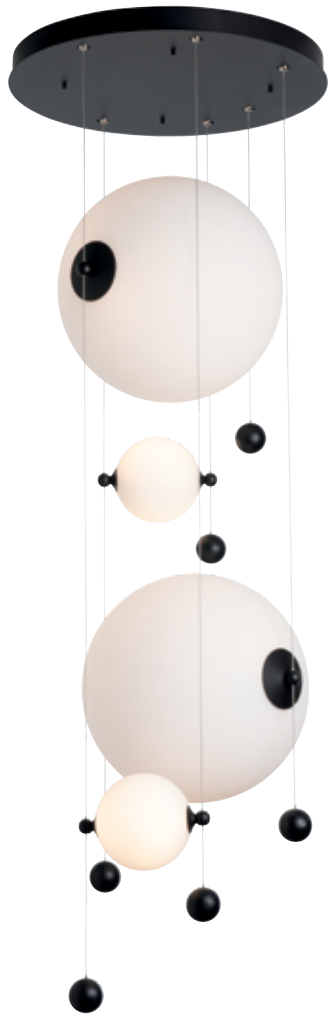

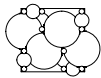

True to its namesake, the Abacus moves up and down its cable "rails" by virtue of tiny grippers on each side that, when squeezed, free the globe to slide and stop exactly where you want to position it.

Multi-Port Systems

A collection of highly-customizable multi-port designs feature cascading light and are suited to a variety of spaces. From dramatic stairwells to foyers and reception areas, to dining and more, these multi-ports feature pendants that may be individually aligned or staggered at desired lengths to customize the design. With canopies that can easily be raised or lowered via cables, installation time is significantly reduced. Easy access to electrical components make these pendants fully field-adjustable. All Hubbardton Forge products are designed, engineered, manufactured using domestic materials whenever possible, and shipped from Castleton, Vermont.

WHAT SETS APART OUR MULTI-PORTS?

- **Adjustability**
- **Ease of Installation**
- **Accessible Electrical Components**
- **Fully Field-Adjustable**
- **Highly-Customizable**
- **11 Standard Interior Finishes**
- **Made-to-Order**
- **Short Lead Time: 3-4 weeks for Standard Products**

TURA

Light-Guide Systems

It began with the design of our Zephyr Pendant, in search of the ability to have light be an integral part of the design itself...to capture the "fluidity" of light.

Working with local, Vermont partners in LED technologies and laser engraving, we developed LED Light-guide systems with proprietary, etched patterns in acrylic that draw the light from end to end. Light travels in a straight line until something refracts, reflects or bends the light through the acrylic, guiding it from LEDs at the end of the form until it escapes any of the thousands of laser-etched points in a proprietary precision matrix on its surface. With our LED light-guides, there is an even distribution of light, vs the "hot spots" often associated with classic LED diodes.

Today, in addition to several free-flowing designs like the Zephyr and Mobius, we offer Linear, Circular and Sconce Light-Guide Platforms for a variety of products. Light-guide platforms may also be customized in length, width and shape to suit custom projects.

WHAT MAKES OUR LED LIGHT-GUIDES UNIQUE?

- **Ease of Installation**
- **Even Light Distribution**
- **Locally-sourced LEDs**
- **Accessible Electrical Components**
- **Fully Field-Adjustable**
- **LED component can be easily replaced, if needed**
- **Customizable**
- **11 Standard Interior Finishes**
- **Short Lead Time: 3-4 weeks for Standard Products**

M Multi-Application Design

ART + ALCHEMY

by HUBBARDTON FORGE

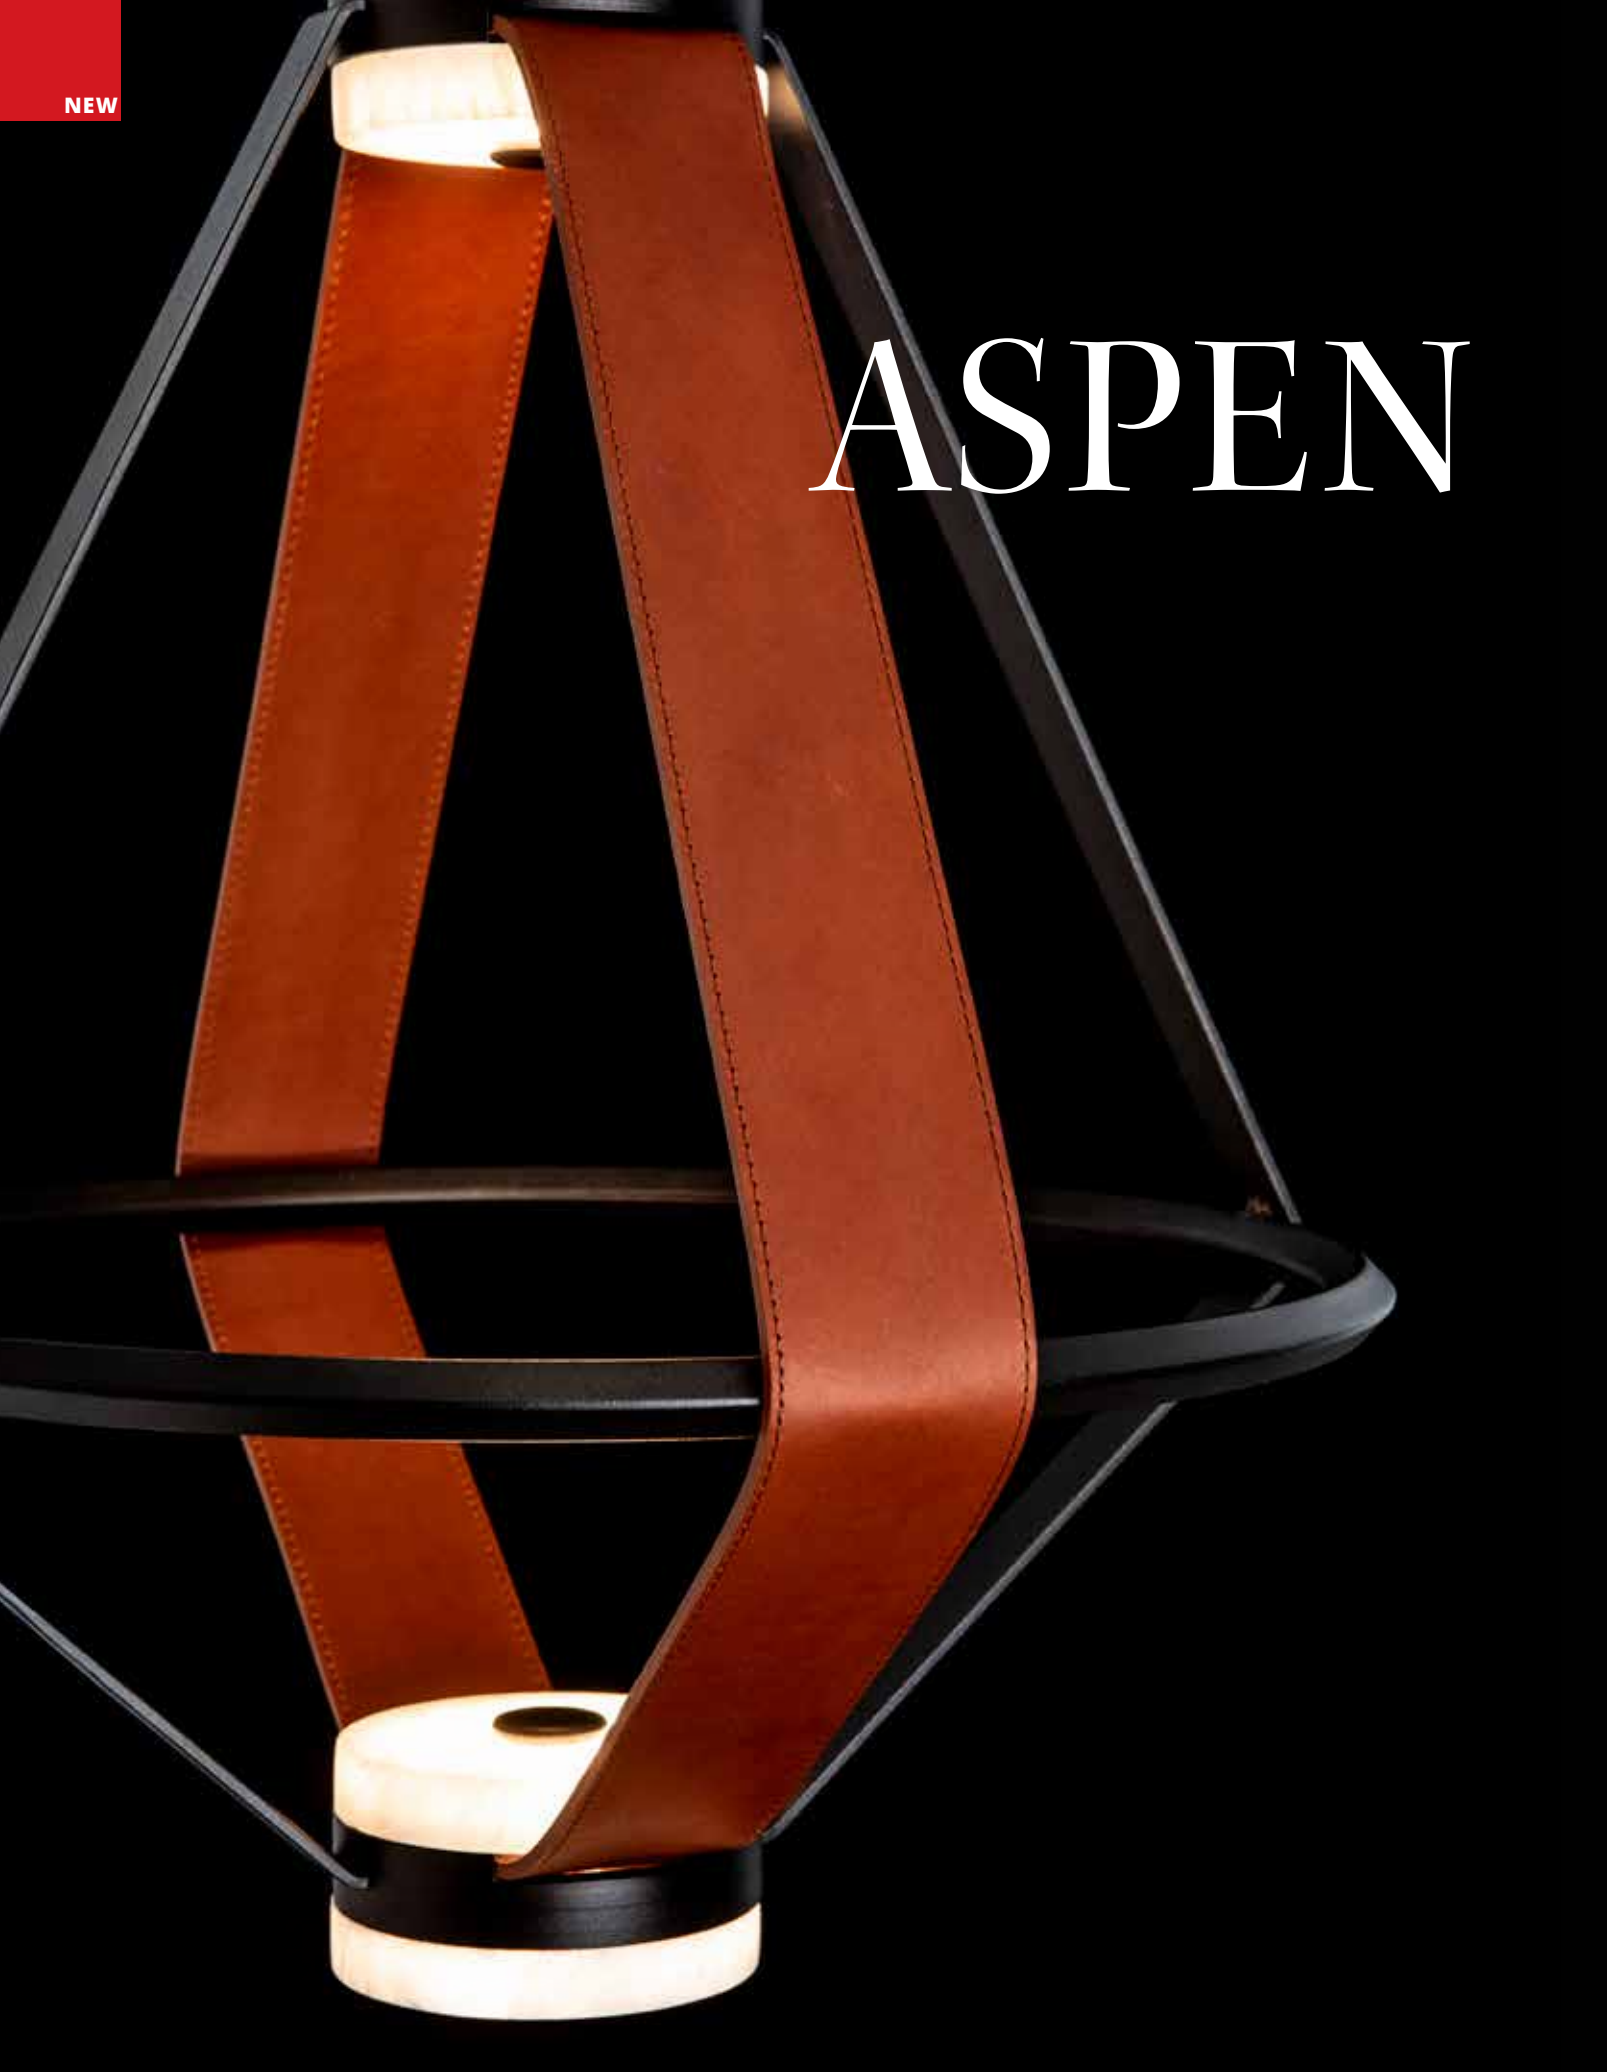

ärt
the expression or application
of human creative skill
and imagination

alkēmē
the ancient process of
transforming essential base
metal into gold

Art + Alchemy designs are both sculptural and distinctive. They are created in our workroom, a collaborative space where designers and engineers come together. From concept through development and fabrication, this is a space where we throw out the book and think without restrictions. It is a place to let the imagination take us on journeys to create pieces that push the boundaries.

Once the design concept is proven, manufacturing the product using custom tooling proceeds. A choice of 11 standard finishes are available; or we can custom-match any RAL color for you. And, with all of our Prototype & Tooling done on-premise, our team can work with you to customize dimensions and aspects of any product in our Art + Alchemy collection to suit a specific project.

SNAPS

CREATIVITY UNLEASHED

Whatever the size, however unique the space, SNAPS can be your solution.

Modular and scalable, this can easily be configured to almost any shape and dimensions you can imagine.

Learn more about SNAPS

VERSATILE PATENTED LIGHTING SYSTEM

With so many potential applications and endless configurations, your design possibilities are limitless.

US Patent #12474038

CUSTOMIZABLE

Should our standard leather options not be exactly what you're looking for, with Spinneybeck as our partner, you can customize SNAPS from a large portfolio of custom leather colors and textures to suit your design.

GLASS BY
SOIVA
1962

Soiva is a third generation, high-quality Italian glassworks company, proudly carrying on a tradition incorporating their inimitable know-how—the foundation of excellence in Venetian glass art for over 60 years. Each phase of development is conducted exclusively within Soiva—from design and hot production to creation of the moulds, to the cutting and polishing processes. Each piece of Soiva's unique Venetian glass is exquisite.

CANOPIES

Sold separately, the 3-Light Linear and Round Canopies can accommodate single (stem) pendants featured on the opposite page. Purchase 1 canopy + purchase 3 single (stem) pendants. Will not accommodate cable- or chain-hung pendants. Some larger pendants must be staggered where indicated on individual product pages on our website. Smaller pendants may be hung in either a staggered or aligned configuration. Designated single pendant stems thread directly onto the three screw collars. Canopies are available in any of our interior finishes to coordinate with your choice of pendant finish.

 This icon appears with products that work with our 3-Light Canopy options.

3-LIGHT LINEAR CANOPY • 13CNMULT31
3.2" h x 5" w x 42" d • 11.6 lbs

3-LIGHT ROUND CANOPY • 13CNMULT32
3.2" h x 20" w x 20" d • 16.2 lbs

PARTS

ABACUS MODULES

- 905207.....Small LED Module
- 905229.....Large LED Module
- 905230-LED.....Large LED Module Only, no globe Opaque Inner Tube for use with Smoke Glass ONLY
- 290668-GRSmall Cool Grey Glass, YL0668
- 290668-OPSmall Opal Glass, GG0668
- 290693-OPLarge Opal Glass, GG0693
- 290693-GRLarge Cool Grey Glass, YL0693

GATSBY MODULES

- 905679.....Crystal (ONLY), CR
- 905678.....LED and Crystal Module
- 905690.....LED Assembly WITHOUT Crystal

SNAPS

- 905699.....Alabaster, AR
- 905700.....24" Leather Extension Strap
- 905701.....24" Leather Extension Strap, with LED light in the center, including alabaster
- 905712.....72" Leather Extension Strap
- 905713.....72" Leather Extension Strap, with LED light in the center, including alabaster

CHAIN

- 901010.....Indoor standard 8 gauge, 3' length
- 901020.....Indoor heavy 4 gauge, 3' length
- 901041.....Indoor oval standard 7 gauge, 3' length
- 901050.....Indoor standard 4 gauge, 3' length
- 905237.....Indoor 7 gauge, 3' length (-24 = Polished Nickel, -27 = Antique Brass)
- 901030.....Outdoor 5 gauge, 1' length
- 901039.....Outdoor 8 gauge, 1' length
- 901040.....Outdoor 7 gauge, 1' length

CANOPIES

- 13CNMULT31.....3-Light Linear Canopy
- 13CNMULT32.....3-Light Round Canopy

STEM KITS

- Replacement multi-height stem kits include: (1) 12" pipe, (1) 6" pipe and (1) 3" pipe. Call Customer Service to determine size needed.
- 905657......453" OD (Steel)
- 90565963" OD (Steel)
- 90568963" OD (Stainless Steel)
